Beach Hop 07 - The Movie

This time it will be 52 minutes long and include some special features. The movie follows the story of TV presenters Buddy Baxter and Mary-Lou, from Beach Hop TV, and their journey to Beach Hop 07. It will feature more interviews with vehicle owners and their cars. We are expecting the movie to be ready for sale early June, but it will be sent to Ultimate Pass entrants first. However, if you wish to get your copy at the same time, we are offering a free "Beach Hop Movie" baseball cap for the first 200 orders! You can download an order form by [clicking here](#).
